ORACLE

ALMA MATER

Dear Alma Mater,
Thy children praises sing
Through vale and woodland,
Our voices loudly ring.
Lift high the chorus
May loyalty never fail.
Pride of our city,
Dear High School, all hail.

Though years may beckon
Our future lives from thee
Our hearts will echo
With precious loyalty.
Dear Alma Mater,
God bless thee every day
And keep thee noble,
Dear High School, alway.

The Seniors

BETTY JEAN BETCHMAN

"Where hearts are true, few words will do."

Betty is one of those quiet girls until you know her better. She has many friends and they have shown their faith in her dependability by electing her to offices in various school clubs during the past years.

LOIS NEELANDS BOUKNIGHT

Lois is a friendly girl with a pleasing disposition. Her many friends wish for her a happy and enjoyable life wherever she goes.

MARY REBECCA BOUKNIGHT

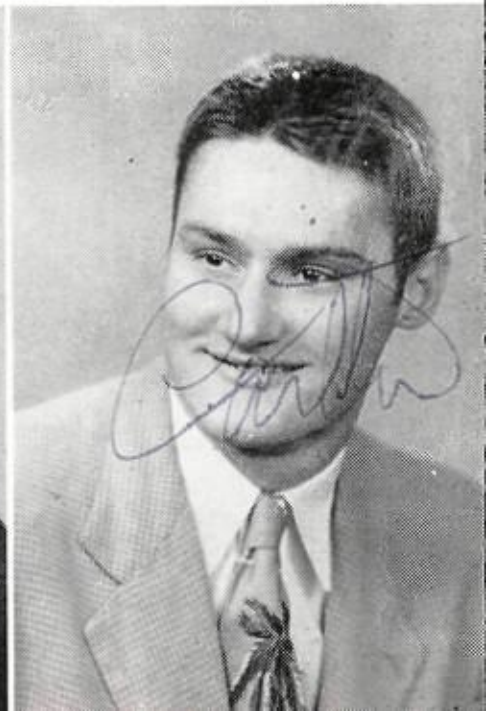

"Ambition is no cure for love."

Because of her pleasant smile and willingness to work, Mary will never be forgotten at N.H.S., either by her classmates or the faculty. The best of wishes go with her when she leaves.

VERNON COURTNEY CARLTON, JR.

"Steam that blows the whistle doesn't turn the wheel."

Vernon, better known as Rooster to his many friends, is an outstanding athlete and sportsman. He is also noted for his ability to make friends and keep them. There's always a cheerful atmosphere if Vernon is in the crowd.

Seniors

CHARLES H. CLARY

"Drink not too deeply at the fountain of knowledge lest ye strangle."

"Chuck" has had one very important characteristic through his high school career. He's a master of perseverance. Every year that he has been playing football he has had an injury, but each year he's out again. Chuck came into his own this year when he helped lead the team to the Paper Bowl.

CLARENCE CALDWELL CLARY

When you hear a blare that threatens to bring the walls crashing in, you know that "Pete" has arrived. "Pete" is popular and on the top of everyone's list because of his cheerfulness. You'll never see this boy gloomy, because he loves life and the people that are in it.

BUFORD LEE CONNELLY

"If at first you don't succeed, try, try again."

Buford could be classed as the spark in the Senior Class of '52. Whenever "Bootsy" is around, you just can't be blue. That catchy slang in his voice seems to be rejoicing all the time. With Buford's outlook on life, he deserves the best that life can offer.

WALTER B. COUSINS

"Anything worth having is worth fighting for."

Walter is a slam-bam sort of person who always has a laugh or a joke to tell. It is hard to find him when he is in a bad mood because he seems to be able to put away all his cares and troubles to another day.

CHARLES KENNETH CROMER

"I'm not lazy, I'm just conserving my energy."

Charles has been chosen to take one of the most responsible jobs connected with school work. He has the responsibility of getting a busload of boys and girls to school every morning. We all hope that the best of success may come to you, Charles.

ELIZABETH JEAN CROMER

"Life is short, so make the most of it."

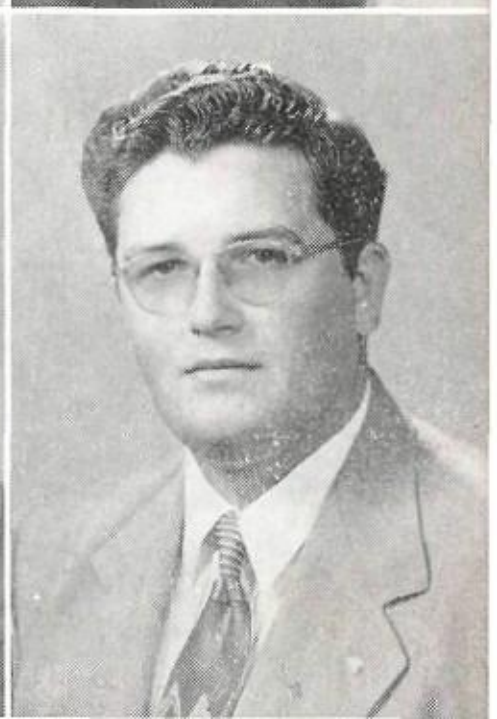

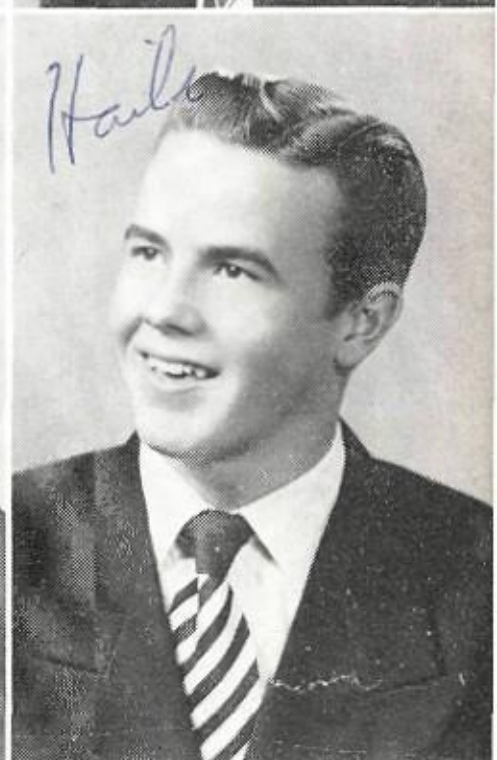

With her beauty, Claudia has won many honors for the school as well as for herself. Beauty is not her only good characteristic. Her charming personality, her sweet and witty disposition, and her individuality are just a few of her others. She is a favorite among the boys, and we know she will go far in this world of ours.

RICHARD MELVIN HARMON

"Silence is golden" would fit Richard. Silent he may be; but when he speaks, it means a lot. May you have all life has to offer, Richard.

Commencement Speakers

MONTS MORRIS WISEMAN FRANKLIN

By vote of the Senior Class, the students pictured above were chosen as speakers for the graduation exercises to be held June 1.

Canteen Postpones Valentine Dance

Changes have been made! The Canteen Dance planned for February 18 has been postponed. Since a great many teenagers will be attending the Beta Club convention, the dance will be on the following Saturday, February 23.

Charlie Pruitt's Sextette will play for the dance.

Everyone who attended the Christmas dance is looking forward to another enjoyable evening.

On December 27, approximately 250 teenagers attended the Christmas dance. The chaperones were Mr. and Mrs. Howard Clark, Mr. and Mrs. W. M. Fennell, Mr. and Mrs. Harry Dukes, and Mr. and Mrs. Miller Wessinger.

The music was furnished by Bill Blalock's.

Beauties Selected

Miss Kate Rutherford was chosen a few weeks ago as the senior beauty of Newberry High School. This year the selection was made by Mr. Jeff Chandler of Hollywood, California.

Mr. Chandler stated that between the six girls that the senior class had voted on, it was a very hard choice to make and the girls that were not chosen had nothing to be sorry for.

From the six girls sent him, (Kate Rutherford, Mary Sue Hutchinson, Joanne Halfacre, Julia Monts, Cleudi Harmon, Helen Mays), Mr. Chandler picked Kate Rutherford as the queen and Mary Sue Hutchinson and Claudia Harmon as the attendants.

Glee Club Prepares For District Meet

A representative group of the Newberry High School Glee Club will enter the district music contest which will be held March 11 at Greenwood High School. On the two following days a sextette, two soloists and a pianist, will be contestants in a contest which is to be held at Lander College, Greenwood, S. C.

The Glee Club is now practicing the pieces they will sing at the contest. These pieces are: "Peace Come To Me" by George Whitely and Lyn Murray, and "Three Love Most Holy" by L. B. Sateren. The sextette will sing "Ave Maria", arranged by Harry Robert Wilson. The two soloists are Alice Carter and Kate Rutherford. Harriet Dickert will enter the piano contest.

LOOKING AHEAD

Are we looking into the future as we should? Someday our generation will be the leaders of the nation. Are we preparing for the responsibility?
Early in the history of the United States there were no public schools. The boys and girls were taught at home or sent to a private school. Some of our greatest leaders were self-taught at home.
Later some men thought that the young people should have the chance that we take for granted the chance to go to school.
The school system has improved until it now is as we know it. Every person in the United States now has the opportunity of attending until he is 16 years old.
We are being prepared for the task ahead of us. But are we taking advantage of it? Too many in this school seem to be on the "I'll do it later" plan.

CONGRATULATIONS!

I think that those seniors chosen by the senior class to speak at graduation are in store for many congratulations (and also luck, eh, seniors?). Seriously, these people were selected because of their scholastic standing, ability to speak, dependability, and popularity with their fellow classmates. They are to

Jim —
I want you to know I
wouldn't dare attempt such
a momentous decision by my
lonesome — so I called on
my advisory board for help.
Consensus is three pix marked
on back — and the three young
ladies not chosen need make no
apologies to anyone. They're all
lovely!

Best to you!
